US FWS administrative costs: \$24,050,000 (1.85%)

Amount allocated for competitive grant program: \$127,595,000 (10%)

Total amount available: \$1,300,000,000 (100%)

*Funds are allocated to states using a formula based on one half land area and one half population size. No state can get less than 1% or more than 5%.

*Estimated non-federal match (25%) can include, but it not limited to in-kind contributions, private donations, general funds allocated from the state, and/or funds leveraged from private academic institutions at the discretion of the state.

*Tribal nations would receive an additional \$97.5 million for proactive conservation measures on tribal lands and waters.
